Ice Dream

Tri-Town Skaters Prove Their Mettle in Weekend Show

This weekend several young girls from the area will be putting their best skate forward and living what remains for many only a fantasy during "America's Bandstand Thru the Years," the Eighth Annual Figure Skating Show sponsored by The Skating Club of Southern New England.

The show — slated to take place on Saturday and Sunday, April 3 and 4 at the Driscoll Rink in Fall River — will provide spectators with a rousing, rollicking celebration of great music, beautiful costumes and some of the best figure skating in the area. But all that excitement isn't restricted simply to those watching the event — several girls from the tri-town area will share the experience on the other side of the ice, so-to-speak.

"I really enjoy the grace and style that is part of skating," agreed thirteen-year-old Beth Rolli of Marion. "Six years ago I went and saw my first skating show and I fell in love with it. So I joined the skating club."

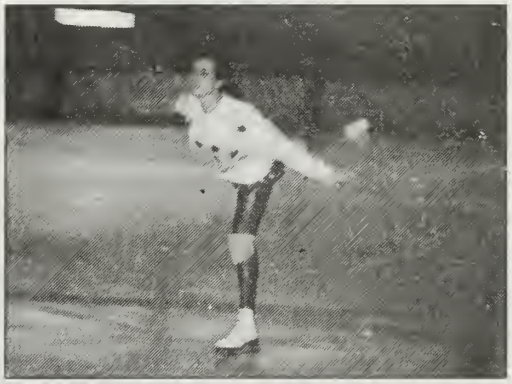
Beth will be joining neighbors Kimberly Wall of Mattapoisett, and Stacy Anuszczyk and Sarah Krasny, both of Rochester, during the weekend festivities which will include a variety of skating styles and performances set to music. One of the more original and difficult numbers in the show, simply called "Dancers," involves a half-dance, half-skating routine, according to fifteen-year-old Stacy Anuszczyk.

"It's difficult to describe, really," she said. "It's more like moving on ice than skating. It requires lots of footwork, turns and swings."

Having been something of a late bloomer on the figure skating scene, Stacy first became enchanted with the idea about four years ago, when her brother started playing ice hockey and her father took skating lessons with Rita Blair in Wareham, who is the Director of the show.

"I don't really know what first interested me in skating," she admitted. "The first couple of times, all I did was hold onto the boards so I wouldn't fall down."

Since that time, however, Stacy has managed to master the ice. Although this is her first show with the club, she has previously skated with the area Precision Skating team (a form of synchronized skating) — which won First Place in their division last year — and has also previously captured a



Above: Rochester's Beth Rolli demonstrates a spiral during a recent rehearsal at Driscoll Rink.

On the cover: Workmen assemble the floats off Barden's Boat Yard in Marion a sure sign of spring and that the Boating season is right around the corner.

LEAGUE OF WOMEN VOTERS OF MARION-MATTAPOISETT-ROCHESTER

VOTER'S GUIDE MATTAPOISETT TOWN ELECTION

The League of Women Voters, in cooperation with the Wanderer, and the candidates, has prepared this information for voters for the April 6, Mattapoisett election. Candidates for Selectman, Town Clerk, School Committee, and Old Rochester Regional School Committee were asked to provide information including age (optional), education, and experience and qualifications. The candidates were also asked a question pertaining to the office they are seeking. Candidates' responses were limited to twenty-five words for background information and fifty words for their response to the question. The candidates' responses were not edited unless they exceeded the word limit.

Selectman (Elect One)
The candidate for Selectman was asked: "In what areas, if any, would you support regionalization for the tri-town area, and, briefly, why?"
Daniel O. Mahoney. Age: 64. Education: Center School, Fairhaven High School, Williams College, Harvard Law School. Occupation: Lawyer. Experience and Qualifications: 40 years practice of law, 3 years Board of Appeals, 3 years Selectman. Response: Instead of additional areas for regionalization, I support the new cooperation and open discussion of common problems at recently-established joint meetings of the three boards of selectmen. From this will come a useful sharing of knowledge and resources without formal regionalization.

Town Clerk (Elect One)
The candidate for Town Clerk was asked: "What measures constitute the appropriate role for the Town Clerk in 'getting out the vote'?"
Lois K. Ennis, CMC. Experience and Qualifications: Town Clerk 27 years. Certified Municipal Clerk 15 years. Vice-President Massachusetts Town Clerk's Association, Appointee Secretary of State's New Voter Registration System Task Force. Response: As an Election Officer, I must remain neutral and never knowingly target a group or groups for the purpose of influencing the outcome of an election. Information that explains the pros and cons of the issues, or details of the election are always appropriate.

Mattapoisett School Committee (Elect One)
The candidate for Mattapoisett School Committee was asked: "What do you view as the most important role of the School Committee?"
Peter B. Hodges. Age: 52. Education: Univ. of Mass-Amherst - BBA; Northeastern Univ - MBA. Occupation: Professor/Accountant. Experience and Qualifications: Teacher (15 years); Town Finance Committee (5 years) Mattapoisett School Committee (3 years) - Chairman (2 years). Response: To provide the highest quality of education for our children while keeping the cost of personnel and programs within the affordable limitations of the citizens who finance the budget.

Old Rochester Regional School Committee (Elect One)
The candidate for Old Rochester Regional School Committee was asked: "What measures do you feel would be effective in building support for the necessary maintenance and renovation on the O.R.R. buildings?"
Michael J. Dahill. Age: 42. Education: B.S. Stonehill College. Occupation: Vice-President New England Ropes. Experience and Qualifications: Served on Mattapoisett Growth Study Committee & Mattapoisett Harbor Committee. Response: To build support for needed maintenance and renovation work at ORR, the School Committee must demonstrate that the planned projects will protect the towns' investment in the facility. The final plan must include a thorough understanding and control of all costs and spread the work over a reasonable time period.

Second Place prize for her age group in a New Bedford area competition.

Seven-year-old Kimberly Wall of Mattapoisett, on the other hand, has her eyes set on a long figure skating career, along with some of the fringe benefits of the sport.

"You know what I like most about skating?" she asked, excitedly. "Next week I get to get out of school early, because I have to practice."

Starting at the tender young age of four, the Center School First Grader immediately took a liking to skating. "One day they had something in the paper about skating try-outs," she said. "So I asked my mother if I could try it. I had to stay near the boards and I fell a lot, but I really thought it was fun."

Planning for her performances in "Calendar Girl" and "Purple People Eater" this weekend, she also enjoys the learning experience that skating has provided her.

"You get to learn a lot of new things and moves," she said. "I've already learned about 20 or 30 moves ... but my favorite is spinning."

Conjuring up images of Olympic winners like few other sports, figure skating has certainly made its mark in America over the last few years. Requiring a delicate balance of grace, poise and skill, it is far more difficult that most might think. It takes

time, perseverance and — most of all — patience to learn the rigorous routines and timely moves.

With the increased popularity of the sport, the club has seen a boost in both membership and attendance at events recently. According to Public Relations Director Mary-Jane Webster, "If you like watching figure skating on TV, you'll love our show!"

In addition to the group of local skaters, this year's show will also highlight the talents of nineteen-year-old Philip Dulebohn, the 1993 Eastern Men's Figure Skating Champion; Jennifer Blount, the Eastern Gold Medalist in Senior Ladies Figures; and Fred Palascak of Ohio will join his partner Kristen Youlden of Wareham for a recreation of their award-winning pairs performance.

Some of the other 80 skaters participating in the event will represent the municipalities of Acushnet, Assonet, Attleboro, Berkley, Bridgewater, Rehoboth, Dartmouth, Fall River, Portsmouth, Tiverton, Middleboro, Norton, Westport, New Bedford, Raynham, Somerset, Swansea, and Taunton.

Although Marion's Beth Rolli seems to think she'll give up skating when she enters high school, the Seventh Grader shares a similar passion for the sport and admits having enjoyed her experiences with the club. After all, after winning Second Place with the Pilgrim Skating Club and Third Place with the Southern New England Skating Club, what could be next?

"I *have* dreamed about the Olympics," she said. "But it seems out of reach."

Her fellow skaters have also thought about winning that ultimate honor.

"I think everyone would love to go to the Olympics," said Stacy. "But for now, I'm happy to be skating and hope to keep doing it."

Kimberly Wall would like to be an Olympic contender, too. But only one thing worries her.

"I'd be afraid of falling down," she said.

"America's Bandstand Thru the Years" will take place on Saturday, April 3 at 7:00 pm and on Sunday, April 4 at 2:00 pm at the Driscoll Rink in Fall River. Tickets are $6.50 for adults and $5.50 for senior citizens and children, and will be available at the door for both performances. For tickets, directions or further information on the event, please call 997-1912 or 824-2135.

For those die-hard figure skating fans: The Plymouth Area Chamber of Commerce and Citizens Bank will be presenting "Champions on Ice" on Saturday, April 17 at the Armstrong Arena in Plymouth. Two shows are slated for 2:00 pm and 7:30 pm and will include Nancy Kerrigan, Jo Jo Starbuck, Kitty & Peter Carruthers, Rachel Meyer, Peter Breen, Jill Trenary, Tonya Harding, Annenko & Stretenski, Todd Eldredge, and David Liu.

Tickets are $50, front row; $35, second row (SOLD OUT); $35, third row; $25, general admission; and $12.50 standing room, and are available at Citizens Bank (Mattapoisett, Fairhaven and New Bedford branches). To charge tickets by phone, call (508) 746-3377 or call 746-3377 for further information.

Mattapoisett Selectmen's Meeting
March 30, 1993
By Bethany Morgan

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, March 30 at 6:30 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot, Selectman Daniel O. Mahoney, and Executive Secretary Carol Adams.

Following the signing of the payroll and bills, Chairman DeCosta thanked Selectman Mahoney

and Selectman Lambalot for conducting the appointment of the new Fire Chief, Ronald E. Scott of 148 Acushnet Road.

The board then proceeded to approve the minutes of the March 23 and 25 meetings. Correspondence was sent to the Massachusetts Commission against Discrimination and another to Perry, Hicks, Crotty and Mitchell was signed upon the request of the auditors.

Chairman DeCosta next cited the following meetings scheduled throughout the week:

• Wednesday, March 31, 10:00 am — board meeting regarding the court date for the Ruel dog complaint

• Saturday, April 3, 9:00 am — board meeting regarding the Police Contract negotiations

• Tuesday, April 6 — Election Day

• Wednesday, April 7, 7:30 pm — Cable Public Hearing to which residents are urged to attend.

Outgoing correspondence was sent to those applicants for the Fire Chief position who were not selected, thanking them for their interest in the position.

Chairman DeCosta next went over the following incoming correspondence for the week:

• A copy of a letter sent to the Conservation Commission from Water/Sewer Superintendent William T. Nicholson relative to the commission's interest in funding a Regional Conservation Agent as proposed by the Buzzards Bay Action Committee (BBAC).

• A notice that on Thursday, April 8 at 7:30 pm, Dr. Orrin Pilkey, a Duke University Professor,

Planning Group of a meeting set for April 7 at 3:00 pm in the Southeastern Regional Planning and Economic Development District (SRPEDD) Office. Also received were a copy of the March 10 meeting minutes.

• Copies of the minutes of the March 11 and 23 meetings of the Mattapoisett Recycling Committee were received.

Under the Executive Secretary's report Ms. Adams discussed the following matters:

• A reminder to town residents that the April 7 Cable Public Hearing is the time to voice concerns, complaints and suggestions on how to improve Mattapoisett's cable television service.

• A reminder that the board has received only two applications thus far for consideration to fill a vacancy on the Old Colony District School Committee. Applications were received from Eleanor C. Lewis, 101 Acushnet Road, and from Dana L. Barrows, 23 Main Street. (Appointments are scheduled for April 20).

• Notification to the board that the police negotiation team is unable to meet on April 10 as scheduled and requested a rescheduling at the Selectmen's convenience.

At 7:00 pm, the members of the board were joined by Al Euring of Thompson Engineering to conduct a preliminary public hearing to discuss the reconstruction of North Street. The hearing began with the introduction of the aerial photographs and layout of North Street.

Chairman DeCosta explained that new photographs would be needed for this layout, considering that previous to this year's photos, the most recent recorded layout was done by the county in 1926. The vast development in this part of the town since that time has rendered the 1926 layout obsolete. Funding has been allocated in a previous Selectmen's meeting and approved by the Finance Committee.

According to the board and representatives from Thompson Engineering, North Street currently has a 50 foot layout, 18 to 20 feet of pavement within that layout with no drainage system or sidewalk. The total reconstruction of North Street comes at a time when the Commonwealth of Massachusetts requires the recurbing and patching of the street. The board looked upon this partial reconstruction as an opportunity to save the residents money and convenience for the street's much needed reconstruction.

Thompson Engineering estimates that the cost of this project would be a maximum of $1.6 million. Bidding on the project has yet to begin. The board is looking into Chapter 90 funds as provided by the state to help defuse cost to the town. In order to qualify for state funding, North Street's reconstruction must meet the state standards for the engineering of a public way.

These standards will require, in the same 50 foot layout, a 30 foot pavement, sidewalk, curbing, and a drainage system. The board has decided on a granite curbing because of its durability and long life span, asphalt paving, and black top sidewalk.

The Water/Sewer Department, which is going to lay the lines westerly of the pumping

station (Crooks Way and Crystal Spring Road), will share the project's expenses.

Mr. Euring stated that no part, including the gravel bed, is worth saving. Everything needs to be replaced. The long term project would be completed by fall of 1995.

Of those who attended, Robert Furtado of 106 North Street expressed concerns about the water runoff entering his property and requested that the board look carefully into proper drainage systems. The board responded by explaining that the drainage system will be included on both sides of the street as opposed to solely at the curbing.

Both Gary Schuyler and Mike Hickey expressed concerns about telephone polls being extracted and their relocation. The board responded by stating that removal of the poles depends upon their location within the proposed 30 foot pavement. Poles would be relocated on the two foot planting strip between the curb and the sidewalk.

At 7:35 Chairman DeCosta and Selectman Mahoney left the meeting to tend to other business while Selectman Lambalot and Mr. Euring remained to answer further questions.

Marion Selectmen's Meeting

March 30, 1993

Immediately following an Executive Session to discuss a pending land transfer agreement, a meeting of the Marion Board of Selectmen was called to order on by Chairwoman Loretta B. Schaefer on Tuesday, March 30 at 7:04 pm in the Marion Town House. Also present were Selectman Edwin "Ted" Pratt Jr., Selectman James S. Dougall, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing the warrants, payrolls and bills for the week and approving the minutes of the March 23 meeting, the board granted a permit request to Joseph Thompson, Engineer and appointed Jean Briggs to fill a vacancy on the Cable Advisory Committee and Jeanne O'Brien to serve on the Council on Aging (COA), both terms effective through May 31, 1995.

Chairwoman Schaefer next cited a notice from the Massachusetts Highway Department informing the town that an appropriation of $26,594 is now available to them to fund pending road projects. Mr. Pickles explained that money has been set aside for work on Point Road and Front Street and an extension for funding through June 30 would afford them additional funds. "It looks like right now we could resurface Creek Road from Route 6 to the cranberry bogs," Mr. Pickles said.

The Fisherman

CASTING LINES UPON THE SURFACE,
TRYING TO OBSCURE THEIR PURPOSE,
DISGUISED HOOKS OF ALL PERSUASIONS.
FLIES AND PLUGS FOR ALL OCCASIONS.
THIS GUILEFUL MAN HAS JUST ONE WISH,
TO PROVE HE'S SMARTER THAN THE FISH.

This original verse & calligraphy in a 5 x 7 frame, $12.00. Others on golf, sailing, doctors, nurses & the ever popular "deficit." Every type of custom-ordered calligraphy.

Ms. Schaefer next went over incoming correspondence for the week, beginning with a letter from the Massachusetts Emergency Management Agency (MEMA) regarding a "snow declaration" for snow removal costs in town. The agency is now looking to find additional monies to offset costs incurred by the recent snowstorms in March and December. According to Mr. Pickles, a total of $33,000 has been incurred for snow removal this year — a cost which is $18,000 over and above money allocated for that purpose.

The Upper Cape Cod Regional Vocational Technical High School District next submitted their article concerning the Equal Educational Opportunity Grant for the town's Annual Town Meeting warrant. Chairwoman Schaefer noted that the board had already approved the submitted article before, but agreed to reaffirm their vote.

The state Department of Environmental Protection (DEP) next sent the board notification that the Town of Marion had been determined to be a DEP-approved recycling site, and the town's landfill will be listed on the department's DEP-approved Municipal Recycling Programs (DARP) list. The town will be required to continue inspecting loads sent to the landfill which contain lead-acid batteries, white goods, tires, leaves and yard waste.

The Executive Office of Communities and Development (EOCD) sent a request to the board for people interested in working on their "Peer-to-Peer Technical Assistance Program," which provides assistance to communities in managing and organizing their municipal efforts.

The First Congregational Church next sent a request to the board to use the town-owned Bandstand on Front Street on June 13 for the purpose of holding a church picnic during the congregation's "Children's Day" celebration. The board unanimously approved the church's request.

Cable Advisory Committee Chairman Albert E. Winters next sent notification to the board

advising them of Claire Tetrault's resignation from the committee. Ms. Tetrault cited personal reasons for leaving the committee and Chairwoman Schaefer moved that the board accept her resignation with regret and ask that a letter of appreciation be sent to her.

Before moving into Board of Health business, resident Abel Roderiques asked what the status of the town's transfer station was, having heard from several residents that space is becoming limited. Chairwoman Schaefer agreed that it might be a good time to start looking more vigorously for recycling alternatives. Mr. Pickles said that the present station should last through 2023, but Mr. Pratt stressed that isn't too far down the road. "It will take that long to look for and set up a new transfer site," he said.

Under Board of Health business, the board met with Albert and Eleanor Richards of 8 Aucoot Road to further discuss their septic system problems as mentioned during last week's meeting. Since that time, Mr. Richards informed the board that things haven't improved much.

"Following your own suggestions from last week, we tried to fix the problem," he said. "(Public Works Superintendent) Robert Zora examined the septic system and determined there was no leakage. But the water table seemed to be two feet below the

grass level."

Having hired Floyd Taylor to pump out the excess water in the system, Mr. Richards informed the board that three truck loads were pumped out, totalling 7500 gallons of rain water. The pumped out "grey water" was then emptied into the Marion Sewer Plant, with the Board of Health's permission, since it was essentially rainfall and didn't contain septage.

Mr. Richards also asked the contractor who originally built and installed the system to check it, and he agreed that everything met the specifications of both town and state codes. "The septic system is installed as planned," read Mr. Richards in a letter from his contractor, KLK, Inc. of Westport. "But the system is retaining water from runoff ... and the water table is higher than originally estimated."

Selectman Dougall agreed this is a problem which many residents have faced of late. "The short term solution here is to keep pumping it out until the water table comes down," he said.

Selectman Pratt was very concerned over other residents facing this same fate. "Even in Mr. and Mrs. Richards' neighborhood, there probably isn't a septic system in compliance with the local and state codes," he said. "We simply can't expect people to continue handling problems like this themselves. What I'd like to do is talk to the DEP and ask for a moratorium on septic system regulations until people can rectify these problems and bring their systems into compliance."

The board agreed that something needs to be done on the state level to encourage other residents with similar problems to come forward and seek assistance from the Board of Selectmen and/or Board of Health.

"I realize we've had a lot of water this year," Mr. Richards said, "but we relied on the town engineer and town boards to guide us when we first built our home."

at the meeting, the board agreed to look into sending out another survey/questionnaire to drum up some interest and information from other residents with problems similar to the Richards family. Mr. Pratt also agreed to pursue the DEP and see what can be done to modify and/or correct these problems incurred through Title V regulations.

The board then went over and approved the warrant for the Annual Town Meeting to be held on April 26 at 6:45 pm in the Sippican School Auditorium. Meeting with members of the Finance Committee, the board reviewed the proposed 46 articles, 10 referendum questions, and additional 7 articles which comprise a Special Town Meeting warrant, slated for April 27 (a detailed listing of all the articles up for consideration will be included in a future issue of *The Wanderer.)*

Under further Board of Health business, the board received a letter from Regional Sanitarian Karen Walega regarding the upcoming pre-rabies vaccine clinic to be hosted by the Town of Acushnet Board of Health.

Mr. Pratt also informed the board that a section of the town's Sanitary Code needs to be amended. Section 4.20.3 states that all pipes used in the construction, repair and expansion of a septic system should be of Schedule 40 perforated or equal quality. Mr. Pratt noted that since this type of pipe is not made in a perforated version, the code will have to be changed, requiring a public hearing within the next three weeks.

There being no further business to discuss, the board adjourned for the evening at 8:45 pm.

present were Selectman Lorraine Roy Hawkes, Selectman David L. Hughes and Administrative Secretary Shirley Ferreira.

After approving the minutes of the March 22 meeting, with two noted changes from Selectman Hawkes, Chairman Brown noted the opening of the bids on a surplus copier from the Council on Aging. As an active member of the Lions Club, Chairman Brown said he would abstain from voting, since the club submitted a bid for the copier.

Selectman Hughes cited two letters regarding the copier, one from Richard Sevigny, who didn't offer a bid on the item, but rather mentioned he would be willing to repair the machine at cost if the town was interested. The second letter came from the Lions Club, offering a $25 bid for the machine, noting it is in need of repair.

Selectman Hawkes moved to award the bid and machine to the Lions Club, which was amended by Selectman Hughes to be donated to the organization for no charge. "Seeing all that they've done for the town in the past, the $25 won't kill us," he said. The motion passed by a majority vote of the board.

Chairman Brown next went over incoming

correspondence for the week, beginning with a notice from SEMASS informing the board that effective January 1, 1993 (retroactive), the facility's host fee increase has risen from $1.90 to $1.97 per ton.

The Old Rochester Regional High School District Committee next submitted an article for consideration on a Special Town Meeting to be held simultaneously in all three towns on May 21. The article requests that the towns approve $1,392,000 debt authorized by the committee on April 26 to finance the costs of reconstructing, equipping, remodeling, and making extraordinary repairs to the high school. The board agreed to file the proposed article for consideration at a later date.

The Massachusetts Emergency Management Agency (MEMA) next sent the board a notice informing them that if they need additional funds in the wake of the recent storm (Blizzard of 1993), they should fill out the necessary forms and return them as soon as possible. According to MEMA Director David Rodham, "The administration and the legislature may appropriate further dollars to help with the storm costs." Chairman Brown agreed to file the necessary papers with the agency.

Another estimate on the proposed repainting of Town Hall was next received from the Jon Nutter Company. With bids still pending, the amount was withheld.

A notice was received concerning the Soft Second Loan Program through which the Marion/Mattapoisett/Rochester Housing Co-Op, Inc. is funded. According to the notice, there is an

additional $1 million in funds now available, a portion of which the Co-Op would be eligible for.

The Plymouth County Retirement Board next sent the board a warrant for $59,747, representing the town's share of its budget.

People Acting Community Endeavors (PACE) next sent a request to the selectmen for any available trucks, drivers and storage space within town. If anyone has a 20 ton truck that they'd be willing to loan the group, or any other form of assistance, they should contact the Selectmen's Office, c/o Town Hall.

The State Department of Revenue next sent notification to the board of their pilot program for early budget review and accelerated tax rate approval. All communities participating in the program will receive a certificate of achievement along with a $3,000 grant. Chairman Brown said he will pass along the application forms to the Board of Assessors.

The Citizens for Solid Waste Reform next sent a request to the board to support House Bills 3053, 3054, and 3055 — all of which would help curb the mandates recently proposed for recycling and waste disposal by the Department of Environmental Protection (DEP). Hearings for the bills are slated to be held on April 13. The board agreed to support the group's efforts, especially in light of having been denied a DEP-approved recycling status, and will send a copy of the letter supporting the bills to Rep. Straus and Sen. Pacheco.

Fire Chief Joseph H. Clapp next sent a letter to the board praising the recent efforts of the town's emergency personnel in responding to the storm of March 13 and 14. Mr. Clapp noted that "our town is very fortunate to have the dedicated people who make up our volunteer departments ... I would like to express my appreciation to my personnel on the Fire Department as well as the other departments in town."

The Massachusetts Audubon Society next sent a copy of their fact sheet concerning storm-damaged property in town and a notice on a lecture they are sponsoring at Tabor Academy on Thursday, April 8 at 7:30 pm, titled "The Beaches Are Moving."

The Department of Revenue also sent the board a report regarding room occupancy revenue for 351 cities and towns in the state. As Chairman

Brown noted, since there aren't many places in Rochester which rent rooms, if any, the town is not required to pay the 4 percent tax being levied.

Finally, a memo from Town Counsels Kopelman and Paige, P.C. was sent regarding dwindling snow/ice removal budgets, which in emergency situations can be appropriated without a vote of Town Meeting with the approval of the Board of Selectmen and Finance Committee, and minutes from Selectmen Meetings which haven't been accepted. According to the firm, until the minutes are formally accepted, any notes, recordings or records on file are considered in effect.

At 7:30 pm, Kris Stoltenberg and Richard Cutler of the Rochester Congregational Church came before the board to discuss the swapping of land between the church and town.

According to Mr. Cutler, the church is willing to trade an approximate 50-foot strip of land directly behind Town Hall now in their possession for an even, foot-for-foot section of land between the two church buildings. Mr. Cutler assured the board that in splitting costs between them, each party would pay no more than $1,000 in engineering and surveying costs.

This proposal represents a more refined

version of a plan which was submitted last year but not accepted.

"I'm in agreement with this proposal," said Selectman Hawkes, "because if we ever want to expand Town Hall, it only makes sense to have this land."

Selectman Hughes moved that the board accept the land trade, pending a more detailed engineering study with the properties staked out and a Town Counsel-approved article to be drafted by the board. The article will then be placed on the upcoming Annual Town Meeting warrant.

The board then approved the warrant for the Annual Town Election to be held on April 14 from 12:00 noon to 8:00 pm at Town Hall.

A member of the Old Colony Regional Vocational District School Committee is up for re-appointment next month, and the board advised anyone interested in serving on the committee to send a resume and letter of interest to the Selectmen's Office, c/o Town Hall.

Highway Surveyor Jeff Eldridge next discussed some pending road work in town with the board. "I know money's tight, but something's got to be done," he said. "With the weather we've had the last two weeks, most of the roads in town are in rough shape."

Chairman Brown informed him of the possible additional monies available from SRPEDD for bridge and culvert work which might be used on the Mary's Pond bridge. According to Mr. Eldridge, the structure is also in serious need of repair.

"It's not safe," he said. "It's posted (weight limit) is 10 tons, but people are driving over it regardless of tonnage. Last week we patched a hole in it that went right through ... you could see the water running underneath it."

The board asked Mr. Eldridge to look into what the proposed costs would be to repair the bridge and to also check on the availability of state and federal funding for the project. Mr. Eldridge said someone would be coming to give him an estimate on the work later in the week.

He also told the board that Fire Chief Clapp told him that as of April 1 the diesel fuel tanks at the Highway Barn need to be enclosed in a containment area, which would cost about $2,100. Mr. Eldridge said he would try to work something out whereby he could take the money out of his account for this

"unforeseen expense."

Chairman Brown noted that after last week's discussion on the proposed purchase of a new patrol car for the police department, Chief Walter V. Denham provided them with a breakdown of costs involved, including $3,700 for a mobile data terminal (computer) to be installed in the vehicle by the State Police. The system would be online with the Registry of Motor Vehicles and allow patrol officers to check on license and registration numbers instantaneously.

Selectman Hughes also wanted to know if there would be any additional costs to run the in-car system over and above that price.

Finance Committee (FinCom) Chairwoman Patricia Ryan, who was present at the meeting, asked the board what purpose this new system would serve. "If we're looking into going online with the Registry of Motor Vehicles at the station, why do we need it at both places?" she asked.

Ms. Ryan was also concerned that the town spent "all kinds of money" two years ago to put a new computer system in the police station which isn't being used.

Chairman Brown explained that the problems in getting the computer online have been caused through the insufficient phone lines in town.

When the state approves the installation of the E-911 system, it will facilitate bringing the computer online.

Selectman Hawkes agreed, saying that the department has to start somewhere in upgrading their equipment.

Selectman Hughes asked that the board contact the police department and find out what needs to be done to get the computer at the station online and why Rochester hasn't been able to get the phone line upgraded thus far. "We need names of people to contact and people to put pressure on to get this done," he said.

Chairman Brown next noted that some work had been commissioned by Tree Warden Donald Jenkins to remove hanging branches throughout town in the aftermath of the winter storm. Total costs for the removal of the branches, including detail work and use of equipment, would total no more than $4,000. FinCom Chairwoman Ryan said if the total did not exceed $4,000, she would have no

objection to transferring the money from the Reserve Fund. But she did question some of the additional charges, including mileage and additional hours for Mr. Jenkins, who is an elected and salaried town official and payment for use of equipment which the town already owns — like a wood chipper.

Selectman Hughes agreed, saying that if the board decides to pay him additional mileage, then they are setting a precedent whereby all salaried officials should be treated the same. "You and I don't get paid extra for the additional time we put in," he said, "I don't think others should either."

Before adjourning, Selectman Hawkes moved that the board meet at 6:30 pm next Monday, April 5 and adjourn promptly at 7:30 pm so they can attend Candidates' Night at the Rochester Woman's Club. The board unanimously approved the request and adjourned to discuss pending Personnel Board matters at 8:47 pm. Upon completing their discussion of personnel matters, the board would adjourn for the evening.

Adoptable Animals

Springtime for Kittens

Well, spring finally looks as though it's in the air and our friends at Adoptable Animals have notified us that there's no better time to adopt a kitten from their organization.

From their first litter of the year, the group has already placed three newborn kittens and expect more to be available in the weeks ahead. Their previously closed cattery should reopen sometime before the end of April, guaranteeing shelter to the numerous lost and abandoned animals in our area.

Before that time, however, there are still three adult cats in foster care which need to be placed to spare them the trauma of being moved back to the cattery. If you are interested in an older pet, please consider one of these furry little friends.

Last week's nine-month-old grey and white male was placed in a New Bedford home, but our

featured cat, "Cookie," is also still available for adoption. "Cookie" is a yellow tiger with white trim who is 7-8 months old and has been spayed and had all the necessary shots. This tiny little friend is very lovable and needs special attention since his sister was recently placed. Being familiar with both children and dogs, he is an ideal house pet.

Also still available this week:

• Two brown and black tigers who have been abandoned. Both have been spayed and had all their shots. They are young, frightened and non-aggressive. Both are learning to trust people again and need a quiet home with understanding and gentleness. They are already responding to loving foster care. (1-2 yrs. old) The older one is part calico with green eyes and the other is 8 months old.

If you are interested in these or any other animals, please call either Mary Lou Kobak (758-9202) or Priscilla Thompson (758-2896).

Our local Animal Umbrella, Inc. representatives are also proud to offer the following cats for your consideration:

• Black and white female, two years old, who is very small and sweet. If you are interested, please call 995-8670.

• An all-black, long-haired cat with beautiful green eyes and a beautiful disposition to match. This little pet needs a home badly. Please call 994-2464 if you are interested.

A local pet owner is also still asking residents to be on the lookout for a lost male cat in the area of the Wareham Fire Station. This family pet escaped from the rabies clinic held on February 21. He is a short-haired, orange & white tiger with white chest and

Students to Visit Mattapoisett Seniors

Members of the Mattapoisett Seniors Club and their guests will be entertained at their April 8 meeting by students in the Art Department of Old Rochester Regional High School. Accompanied by art teacher Jean Hong, the students will model gowns they created for the school's fashion show to be held on April 3.

Also, banners submitted by art students in a competition held in conjunction with last season's *Nutcracker* ballet in Boston will be displayed. The meeting will be held at St. Anthony's Church Hall and will start at 1:30 pm with Joseph Perry,

fashion shows in the past. Because they have been such a success, the school will host its Ninth Annual Show this year on Saturday, April 3 at 7:30 pm in the high school auditorium. Tickets may be purchased in advance at the high school or at the door the evening of the fashion show.

In preparation for the show, approximately 40 art students are designing and creating the fashions they will model themselves. All other art students will be involved in set design and construction, publicity, and programming. The purpose of this creative experience is to raise money for the art classes to take field trips in the spring to New York City and San Antonio, Texas.

Candidates' Night in Rochester

The Rochester Woman's Club will sponsor a Candidates' Night on Monday, April 5 beginning at 7:30 pm. Voters are encouraged to attend to meet with the candidates and learn more about them and their platforms.

fronds will be blessed and given to parishioners and is also the Sunday of the Passion because the Crucifixion approaches. The two services will include the traditional dramatic reading of the Passion according to St. Matthew by members of the congregation and the Junior and Senior Choirs will sing at the later hour. Immediately following the 10:00 service, there will be a Youth Fellowship luncheon and discussion on conflict resolution led by Dr. Rick Bernier who is a psychiatrist and a parishioner of St. Gabriel's.

During Holy Week, St. Gabriel's will offer many opportunities to participate in services commemorating the Crucifixion and Resurrection of our Lord. Wednesday, April 7, Holy Communion will be celebrated at 12:00 noon in the chapel. On Maundy Thursday, April 8, Holy Communion will be celebrated at both the 12:00 noon and 7:30 pm services in the chapel. On Good Friday, April 9, there will be a three-hour service from 12:00 noon until 3:00 pm in the chapel with readings by parishioners on the quarter hours. In the evening of Good Friday at 7:30 pm service in the main church will include the organ and choir. Finally, on Saturday, Easter Eve, an Easter Vigil will begin at 7:30 pm and will include baptisms, music and the lighting of the Paschal Fire.

Easter Sunday will start off at Silvershell Beach

with St. Gabriel's traditional Sunrise Service. The hour is set for 6:09 am, an early chance to see the glory of God's creation because, somehow, even in a cloudy sky, there usually comes a break at just the right minute. Since Easter is one of the seven principal feasts of the Episcopalian calendar, Festival Services with music will be celebrated at both 8:00 am in the chapel and 10:00 am in the main church. All choirs will join in rejoicing in the wonder of the Resurrection at the 10:00 am service.

Rochester Lions Fish Bake

The Rochester Lions Club will run a Fish Bake on Friday, April 9 from 5:30 to 7:00 pm at the Rochester Grange Hall. Tickets are $5 per person and proceeds will go toward the Lions' Club Building Fund.

members of "Grease." It was a wonderfully done show and a great success. There seemed to be a certain chemistry among the cast which enthralled the audience and brought them to their feet for a standing ovation on during the Saturday night performance. Those who attended the play thoroughly enjoyed it and planned to attend next year's ORR productions.

After much negotiation between the Student Council and school officials, the bathrooms have been reopened and will remain open before, during and after school hours. The students, needless to say, are very grateful.

The senior's Flea Market on March 20 went very well. There was much participation from the community as well as from the students and parents at ORR. Thanks to all who contributed to the success of the event.

Spring sports have begun for the year and expectations for success are very high. Schedules for future games and meets are available at the school and will be published in the local newspapers.

Special Music Sunday Cantata titled "One Holy Passion" performed by Don Wyrtzen with a coffee hour following.

On Maundy Thursday, April 8 at 7:30 pm there will be a Service of Tenebrae (Darkness) and Holy Communion at the church, including a scripture reading by the Deacons.

An Ecumenical Service will be held on Good Friday, April 9 from 12:00 noon to 3:00 pm at the International Church of the Nazarene, 284 Pleasant Street, New Bedford.

On Easter Sunday, April 11 at 7:00 am there will be an Easter Sunday service on the green in front of the church. Music will include the sounds of bagpipes, trombones and singing. At 7:45 am an Easter Breakfast will be served by the Deacons and at 10:30 pm an Easter Worship and Celebration titled "Christ's Resurrection and our Sins" will be presented by Pastor Taylor.

Book Review

Blood Dance

• James W. Brown

Few books capture the mesmerizing timelessness of village life — and the power of its hold on the individual spirit — like this transcendent first novel by Mr. Brown. A strong-willed young woman named Amalia imagines herself possessed by ancient gods; she dreams of freedom and discovers only human weakness and tragedy.

On the tiny isolated Greek island of her birth, families are inbred, outsiders few and suspect; old women know everyone's business and old men spend their days in the cafe turning their beads over in their hands. A book of classical grace and hypnotic power, and a superb exploration of the art and the fate of storytelling, *Blood Dance* is an extraordinary and confident debut from a promising local author.

Review reprinted from Baker Books' BookPage, *used with permission.*

Rep. Straus Announces Office Hours

State Rep. William Straus will hold district office hours at the Mattapoisett Town Hall on Tuesday, April 6 at 7:00 pm. No appointment is necessary.

Benefit Auction

Paper collectibles from Old Rochester will be included in the 338-lot benefit auction scheduled for Saturday, April 10 at 9:30 am at the Mattapoisett Friends Meeting (Quaker) House on Route 6 in Mattapoisett.

The all-paper sale is the third such fundraiser scheduled by the meeting house. Featured items will include those dealing with railroads, whaling, anti-slavery, postcards, newspapers, books, and magazines, Quaker and marine history and a host of other subjects.

Old Rochester items will include an 1840's ship passport for the whaling brig Quito of Rochester, signed by President Martin Van Buren, an 1835 deed to land at Great Neck, and an 1848 list of Dr. William

Five ORR Juniors to Attend Girls State

The American Legion Auxiliary will hold its 48th Annual Massachusetts Girls State at Mount Holyoke College, South Hadley, MA from Saturday, June 12 through Thursday, June 17.

Five ORR juniors have been selected by the faculty to attend the program. Those seelcted include: Amy Chase (Mattapoisett), sponsored by Florence Eastman Post 280; Kelli Smith (Rochester), sponsored by Florence Eastman Post Auxiliary; Erica Thrall (Marion), sponsored by Benjamin Cushing VFW Post 2425; Courtney Hohne (Mattapoisett), sponsored by the Mattapoisett Lions Club; and Heather Stroud of Mattapoisett, also sponsored by the Mattapoisett Lions Club.

More than 18,000 Massachusetts girls have participated in this citizenship program since its inauguration in 1945. Two hundred and eighty girls from all parts of the state will participate in the week's study of Local and State Government. They will establish and operate the various forms of government and will form two political parties, nominate candidates for office, conduct campaigns and hold elections.

Speakers will include high state officials, leaders in government and other professions. They will learn about the responsibilities of the various branches of government and the qualifications and benefits of many of the leading professions.

Girls State will be held by every State in the Union. At the Girls State Sessions in each State, two girls will be selected to represent their respective states at Girls Nation to be held in Washington, DC in July.

Summer Employment Program

The Greater New Bedford Regional Employment Board is pleased to announce its Summer Employment Program for economically disadvantaged youths (14-21 years). Presently, the program will start on July 2 and run through August

Museum Offers Tax Relief

By April 15 all of that paperwork will be out of the way and everyone will be ready for a bit of relief.

On April 15 at 7:00 pm the Mattapoisett Historical Society is offering that relief in the form of what promises to be an interesting evening at their Museum and Carriage House on 5 Church Street.

Mr. Richard Porter of Onset will be sharing his hobby of collecting thermometers. His collection, numbering in the area of 1400, is the world's most extensive private collection, and is registered with *The Guiness Book of World Records*. What started as a hobby for the retired school teacher is now much more. Articles about Mr. Porter and his collection have been featured in many newspapers across the country as well as in magazines like *Yankee* and *Modern Maturity*.

Mr. Porter has traveled throughout the United States and abroad in search of thermometers. He brings with him to his talks a special case designed to hold about 200 from his collection.

This program is open to the public. There is a $2 admission charge for non-members of the Historical Society. We do invite you to attend and learn more about this unique collection.

on the second Thursday of each month at 7:30 pm in the Board of Health office, second floor of Town Hall. The next meeting is slated for April 8. Please join us with your ideas and suggestions.

A special note to all towns: as of April 1, 1993, those towns with no DEP-approved recycling program will have to have their trash inspected by their local incinerator (SEMASS) for bottles and metal cans. Towns with a DEP-approved program have until April 1, 1994.

If many bottles and cans are found the trash will be sent back to the town and its landfill. The cost will then be reflected in the municipal budget. We ask that you support your town government and

TOWN OF MATTAPOISETT
CONSERVATION COMMISSION
NOTICE OF PUBLIC HEARING

The Mattapoisett Conservation Commission will hold a public hearing on Tuesday, April 6, 1993 in the Town Hall on the Notice of Intent submitted by Richard W. Taylor, 14 Channel St., Mattapoisett, MA, 02739. The proposed project is to contruct a sunporch, 12' by 12', at the southwest corner of the existing dwelling. The project is located at 14 Channel St., Mattapoisett, MA. and is further identified as Lot 240 on Assessors Map 5A.

Ronald E. Scott, Chairman
Mattapoisett Conservation Commission 4/2

CLASSIFIED ADVERTISEMENTS

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. M.L.

ORR High School

College Information Night

The ORR High School Guidance Department will sponsor a college information night for parents of high school juniors. It will be held on Monday, April 5 at 7:00 pm in the ORR High School Cafeteria.

Barbara Meehan, John Spinale, and Susan Zartman, Guidance Counselors at ORR, are conducting a week-long group guidance program in all junior English classes. The program covers careers and educational information, including the Self-Directed Search and Steps in the College Application Process. The parent information night is intended to help parents understand the steps to follow in preparing for post-secondary education. Materials will be distributed on college applications and the financial aid process. Although the program is designed for parents of juniors, parents of younger students are also encouraged to attend.

Dinghy Storage Lottery

If you wish to use the dinghy storage area at the top of the wharf this year, sign up for the lottery at the Mattapoisett Town Clerk's Office. It is expected that 35 names for use of the dinghy area will be drawn toward the end of April.

Annual Town Election

The polls will be open from 10:00 am to 8:00 pm

Our Mortgage Department makes house calls.

We realize you can't always get to the bank during normal business hours to fill out a mortgage application. To find out how much house you can afford. Or even to plan the best way to refinance the home you presently own.

So to make things a little easier, we make house calls. In the evenings or on weekends. To your home, or to a Realtor's office.

We're ready to help... at just about whatever time and place most convenient for you.

You can apply for the mortgage you want at a very competitive rate. For an appointment call 994-5000. Chart your course with us.

Eucharist will be transferred to the Repository for adoration and prayer.

Good Friday

The Liturgy of the Lord's Passion, including the reading of the Passion Gospel, the veneration of the Cross and Holy Communion will be celebrated at 7:00 pm. This will be the only Liturgy on Good Friday.

Holy Saturday

The Solemn Easter Vigil with the blessing of the fire, the Paschal Candle, readings and the Liturgy of Baptism, Confirmation and Easter Eucharist will be celebrated at 8:00 pm. There will be no other Masses on Holy Saturday.

Easter Sunday

Masses will be celebrated according to our usual Sunday morning schedule, with the renewal of Baptismal promises at each Mass.

Sacrament of Reconciliation

A special prayer service will be celebrated on Friday, April 2 at 7:00 pm and on Holy Saturday from 12:00 noon to 1:00 pm.

Bristol-Plymouth County Woodcarvers

The Bristol-Plymouth County Woodcarvers will have a show of their woodcarvings on Sunday, April 18 from 12:00 noon to 4:00 pm at the American Legion Hall, Florence Eastman Post #280, on Depot Street in Mattapoisett.

A door prize will be awarded and refreshments will be available. Bring the family to see the carvings, in various techniques, done by local carvers.

Admission is 50 cents per person, or $1 per family of four.

The Great Aardvark Give Away!

Last week the aardvark was hidden....
NOWHERE!
Yes, That's right. There was NO aardvark. Everyone thought they knew we wouldn't hide an aardvark on April 1st just to drive everyone crazy, so we did it a week early!!!!
APRIL FOOL!

Now, for this week...
To make it up to all of you, we hid three aardvarks (not including any on this page).

If you want a chance at winning a stuffed aardvark, right down your name, address and phone number on a postcard and mail it to:
Aardvark
P.O. Box 102
Mattapoisett, MA 02739

A winner will be chosen at random at the end of each month.

The winner for March was Dorothy Huggard.

Enter early, enter as many times as you like!
